

The Glenelly Inn

Cottage Partnership Program

The proprietor of the historic Glenelly Inn is offering Partnership Agreements that provide members with exclusive stays in one of the two luxurious cottages at a greatly reduced price. The contracts guarantee a locked in cost that includes housekeeping, breakfast and access to all the amenities available at the Inn. The nights are offered on a flex plan that can be used in a single stay or broken in to multiple stays (see terms) with a 2 night minimum. The stays can be assigned to anyone the member chooses, but the reservation must be made by the member to ensure validity.
